2000 Powell Street, Emeryville, California, 94608

Guy Wallace is a graduate of the Harvard Law School. He began his career in public interest law, and was the recipient of a Skadden Arps Fellowship. He has extensive experience in class action and impact litigation on behalf of persons with disabilities and other protected classes. He is a frequent lecturer on disability law issues and he has authored various publications on the topic. He was named as a Super Lawyer by San Francisco Super Lawyers Magazine from 2009 to the present.

Mr. Wallace practices exclusively in the areas of civil rights and consumer rights. He is a recognized specialist in class action litigation. His expertise includes both disability access and employment class action cases. Mr. Wallace lectures and writes extensively about the practice of impact litigation. He has been a wheelchair user since the age of 16 as the result of a spinal injury.
